CHAPTER _____

An act to amend Section 3543.2 of the Government Code, relating to school employees.

LEGISLATIVE COUNSEL'S DIGEST

AB 1611, Bonta. School employees: scope of representation: notice.

Existing law gives public school employee organizations the right to represent their members in their employment relations with public school employers, and limits the scope of representation to matters relating to wages, hours of employment, and other terms and conditions of employment, as defined. Existing law provides that all other matters are reserved to the public school employer and may not be a subject of meeting and negotiating.

This bill would require a public school employer to give reasonable written notice to the exclusive representative of the employer's intent to make any change to matters within the scope of representation of those employees represented by the exclusive representative for purposes of providing the exclusive representative a reasonable amount of time to negotiate proposed changes with the public school employer. The bill would also make nonsubstantive changes to this provision. By imposing new duties on public school employers, the bill would constitute a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. Section 3543.2 of the Government Code is amended to read:

3543.2. (a) (1) The scope of representation shall be limited to matters relating to wages, hours of employment, and other terms and conditions of employment. “Terms and conditions of employment” mean health and welfare benefits as defined by Section 53200, leave, transfer and reassignment policies, safety conditions of employment, class size, procedures to be used for the evaluation of employees, organizational security pursuant to Section 3546, procedures for processing grievances pursuant to Sections 3548.5, 3548.6, 3548.7, and 3548.8, the layoff of probationary certificated school district employees, pursuant to Section 44959.5 of the Education Code, and alternative compensation or benefits for employees adversely affected by pension limitations pursuant to former Section 22316 of the Education Code, as that section read on December 31, 1999, to the extent deemed reasonable and without violating the intent and purposes of Section 415 of the Internal Revenue Code.

(2) A public school employer shall give reasonable written notice to the exclusive representative of the public school employer’s intent to make any change to matters within the scope of representation of the employees represented by the exclusive representative for purposes of providing the exclusive representative a reasonable amount of time to negotiate with the public school employer regarding the proposed changes.

(3) The exclusive representative of certificated personnel has the right to consult on the definition of educational objectives, the determination of the content of courses and curriculum, and the selection of textbooks to the extent those matters are within the discretion of the public school employer under the law.

(4) All matters not specifically enumerated are reserved to the public school employer and may not be a subject of meeting and negotiating, except that this section does not limit the right of the public school employer to consult with any employees or employee organization on any matter outside the scope of representation.

(b) Notwithstanding Section 44944 of the Education Code, the public school employer and the exclusive representative shall, upon request of either party, meet and negotiate regarding causes and procedures for disciplinary action, other than dismissal, including a suspension of pay for up to 15 days, affecting certificated employees. If the public school employer and the

exclusive representative do not reach mutual agreement, Section 44944 of the Education Code shall apply.

(c) Notwithstanding Section 44955 of the Education Code, the public school employer and the exclusive representative shall, upon request of either party, meet and negotiate regarding procedures and criteria for the layoff of certificated employees for lack of funds. If the public school employer and the exclusive representative do not reach mutual agreement, Section 44955 of the Education Code shall apply.

(d) Notwithstanding Section 45028 of the Education Code, the public school employer and the exclusive representative shall, upon request of either party, meet and negotiate regarding the payment of additional compensation based upon criteria other than years of training and years of experience. If the public school employer and the exclusive representative do not reach mutual agreement, Section 45028 of the Education Code shall apply.

(e) Pursuant to Section 45028 of the Education Code, the public school employer and the exclusive representative shall, upon the request of either party, meet and negotiate a salary schedule based on criteria other than a uniform allowance for years of training and years of experience. If the public school employer and the exclusive representative do not reach mutual agreement, the provisions of Section 45028 of the Education Code requiring a salary schedule based upon a uniform allowance for years of training and years of experience shall apply. A salary schedule established pursuant to this subdivision shall not result in the reduction of the salary of a teacher.

SEC. 2. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
